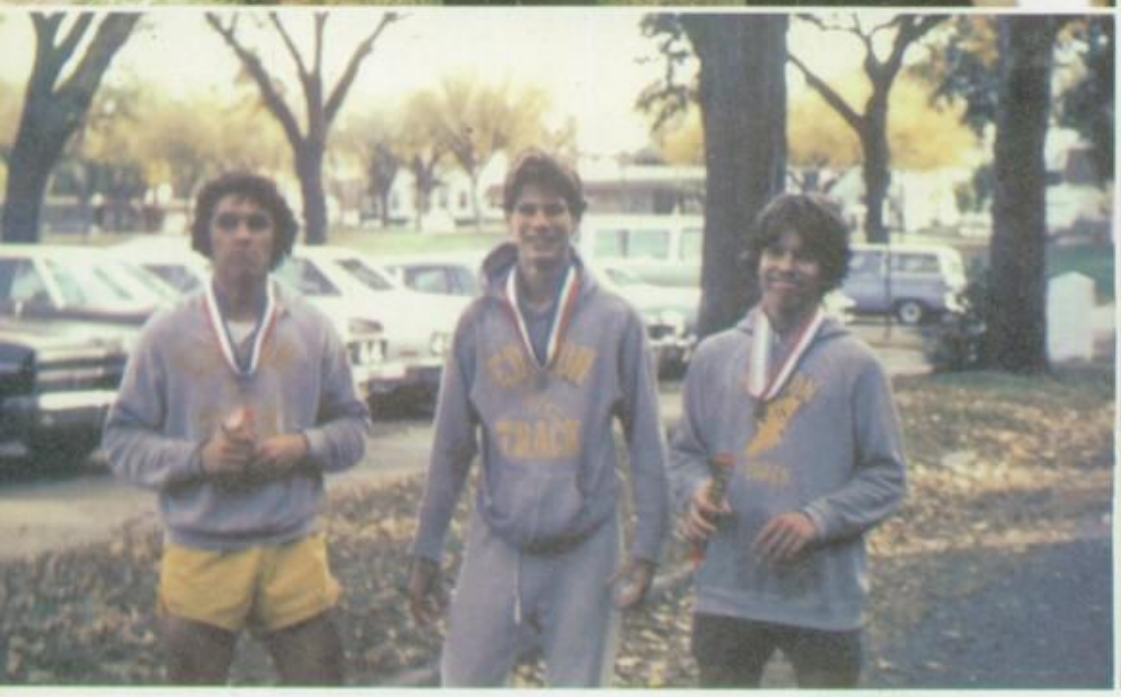
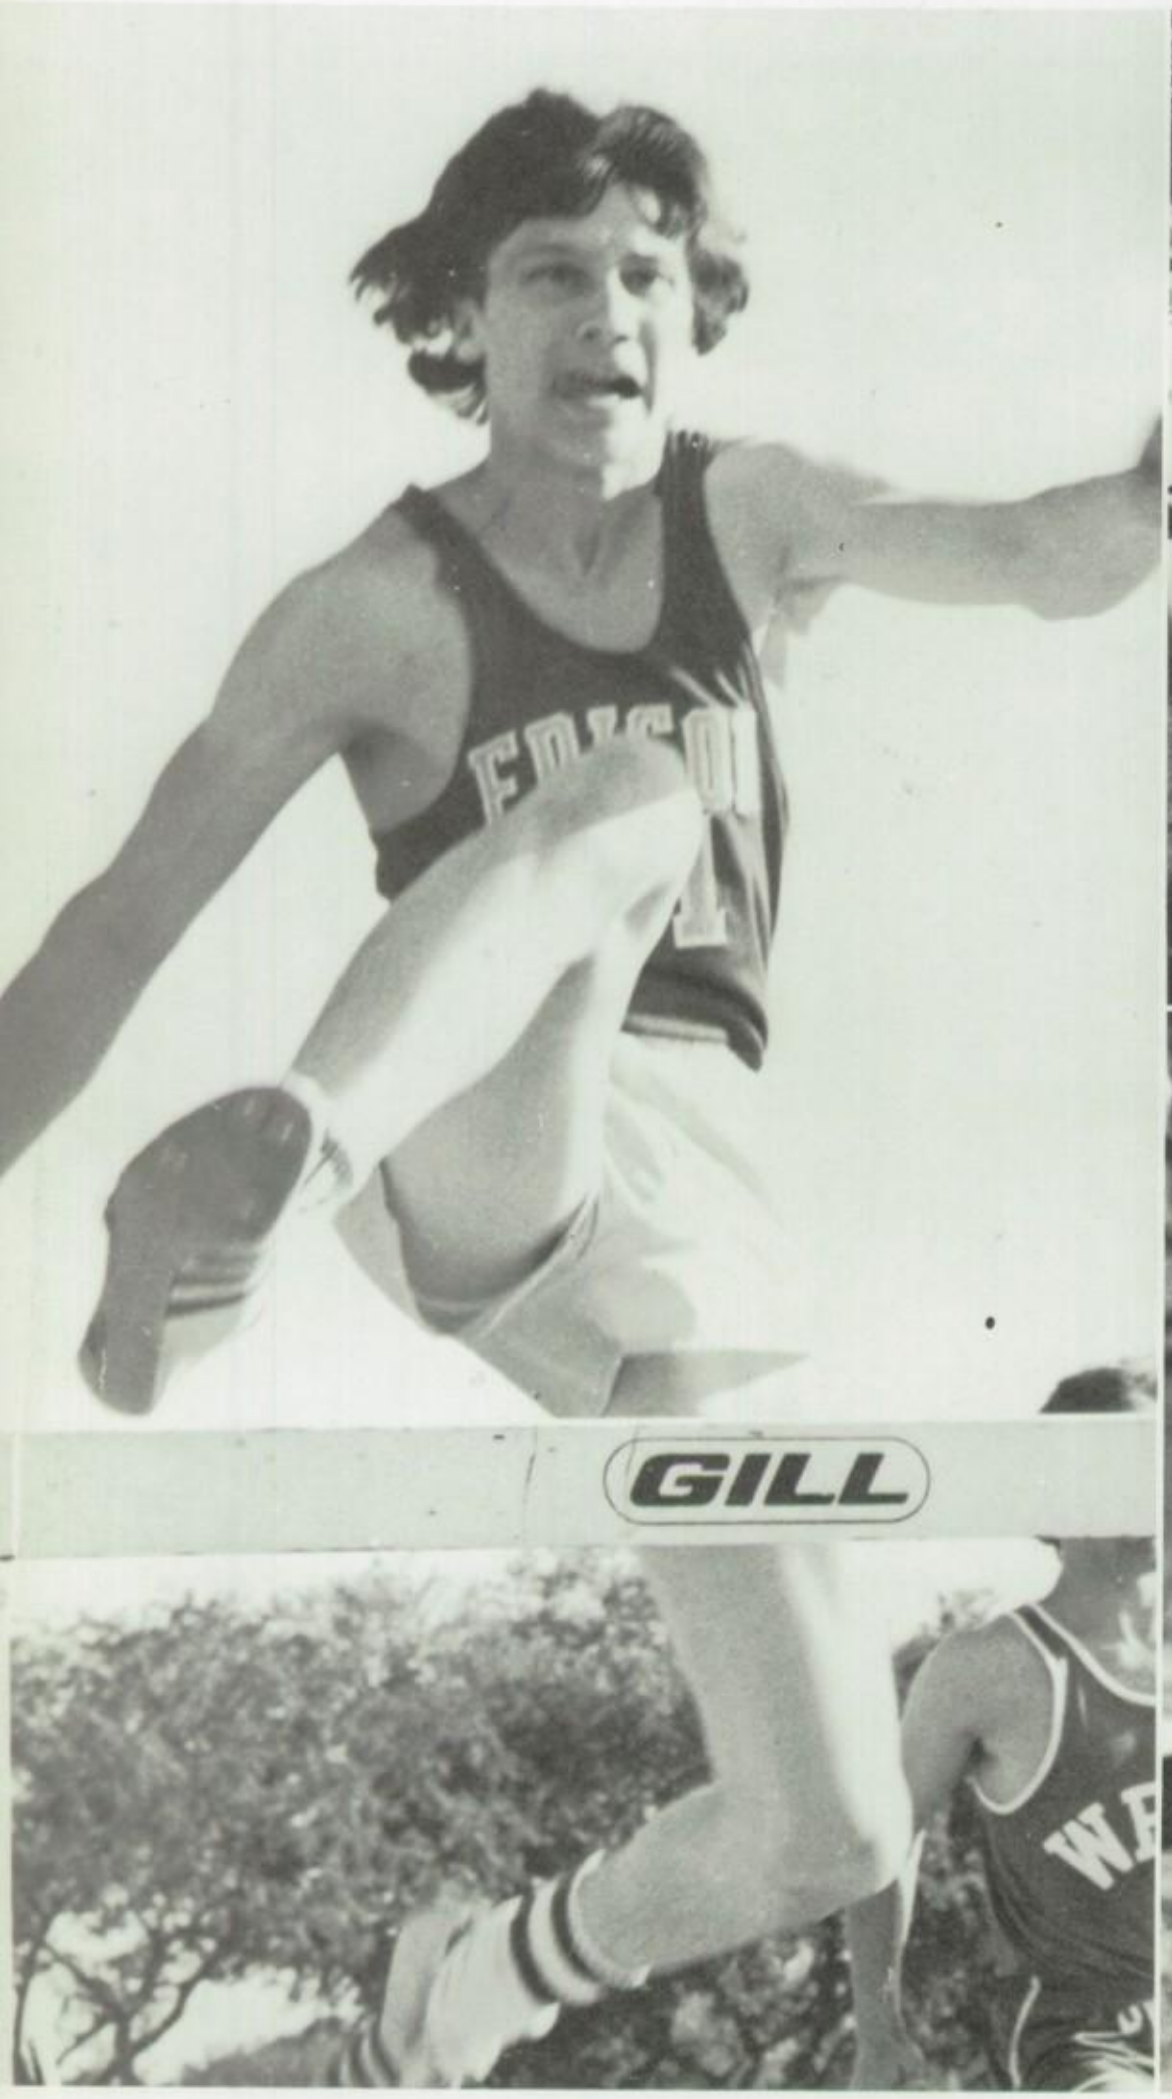
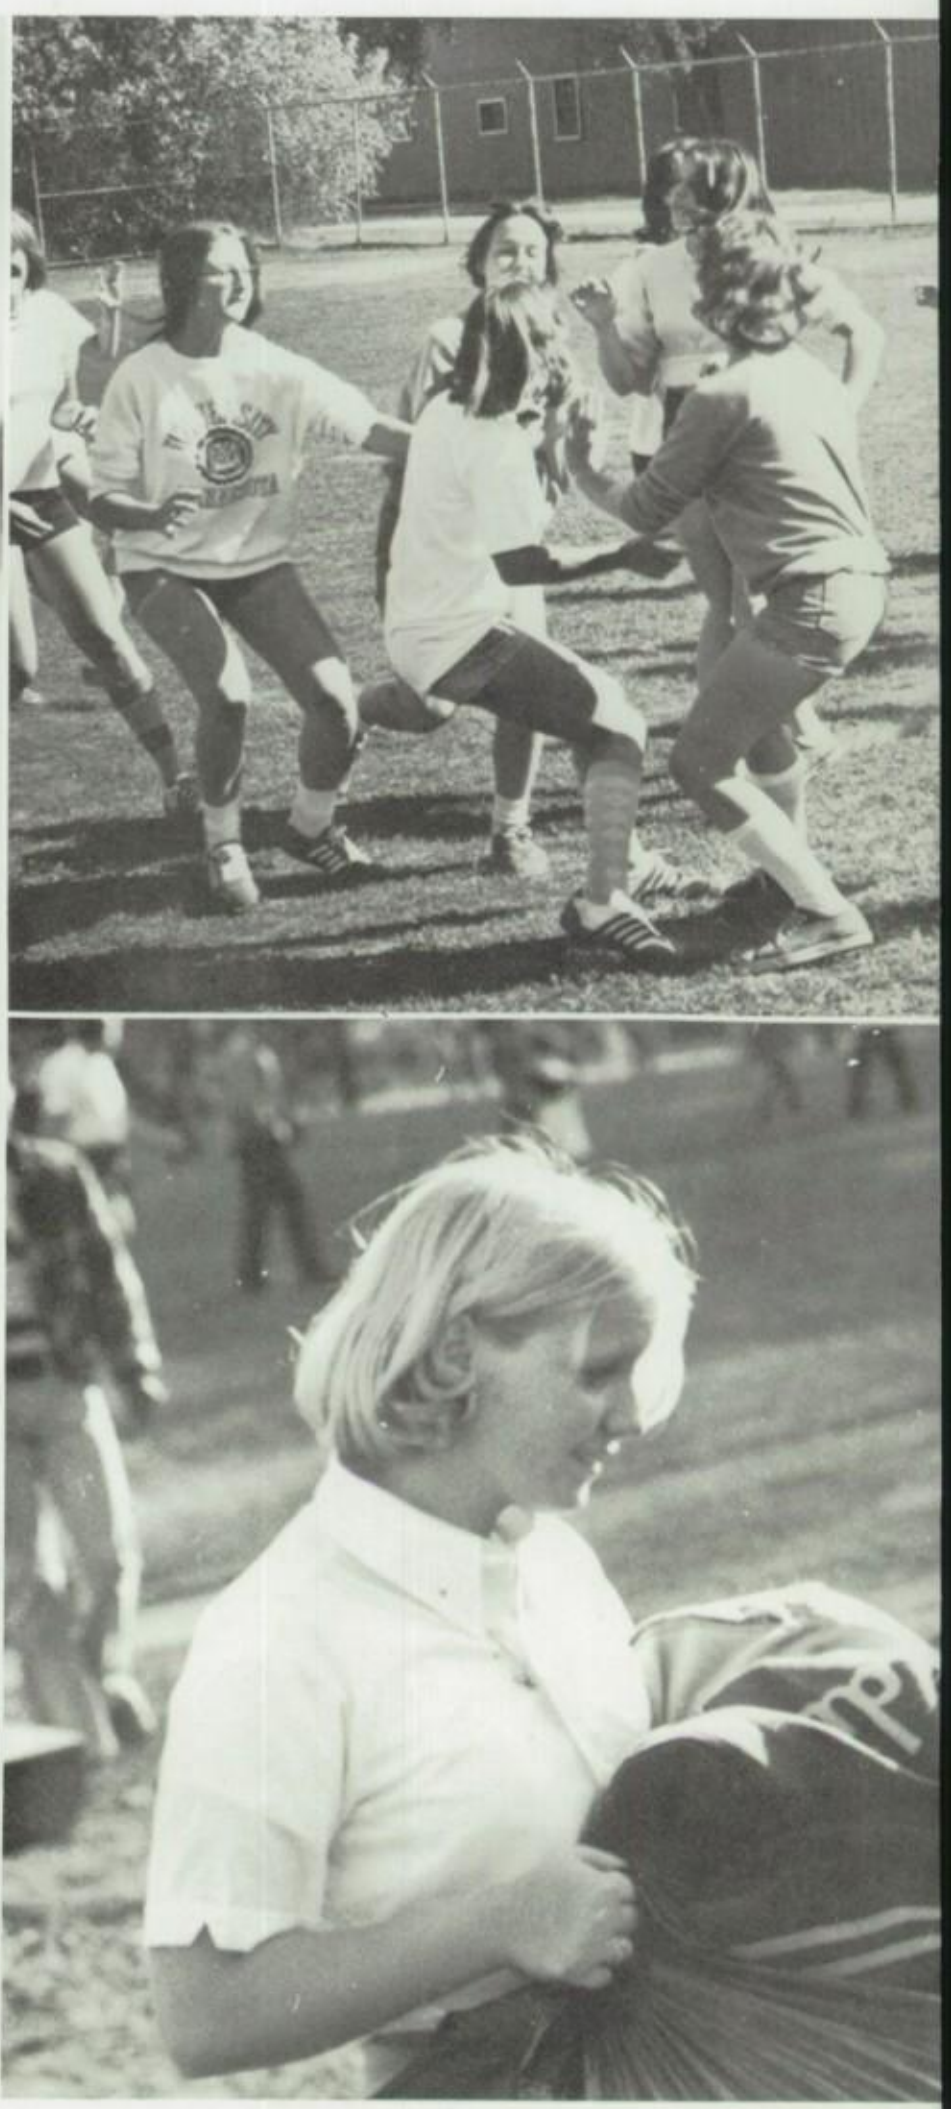
When I first walked through the doors,
Everything fell into place.



Now I must leave,
Time to step to a new pace.

Remembering all the friends,
The laughter and the cheers.
Casting out the sadness,
Erasing all the tears.





For this is a book filled with memories,
Together we have all made.
Each a separate chapter in our minds,
Never will they fade.

So as I go on,
In whatever direction,

I'll look back to you, Edison,
To vision your clear reflection.

ACTIVITIES

HOMECOMING

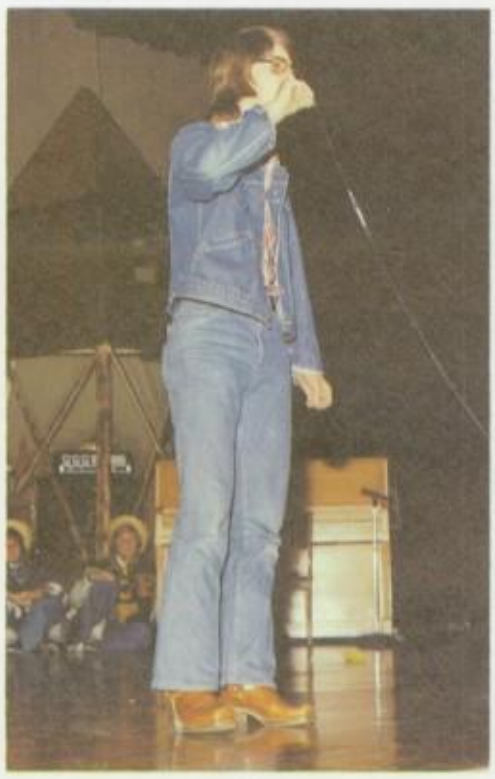
Tuesday morning October 5, at 10:00, junior Bob Berg finished the 18 mile marathon run with a winning time of 1.53:00. This signaled the beginning of the 1976 homecoming activities. Bob beat Phil Iacarella's old time of 2.00:10 by seven minutes. Finishing second was senior Steve Fishbeck with a time of 2.04:09, and third was junior Chris Loso with a time of 2.04:10. Activities throughout the rest of the week were a volleyball game, a cracker-eating contest won by senior Karen Buettner, and a pie-eating contest won by senior Roger Bratsch.

Voting for homecoming queen took place on Friday, October 1st. The sixteen semi-finalists were Bonnie Brandt, Pam Trombley, Sandy Kramer, Cathy Knapper, Sue Blosberg, Debbie Weinstock, Libby Chase, Sandy Tomczyk, Kim Anderson, Janet Ekstrom, Cindy Invie, Sandy Blosberg, Andra Slimak, Julie Onsrud, Sue Rorem, and Sally Morris.

On Wednesday, October 6th, the vote for the five finalists took place. They were: Sandy Kramer, Kim Anderson, Debbie Weinstock, Sandy Blosberg, and Sally Morris.

Friday - Homecoming day - was a day of mixed emotions. By 12:30 p.m. nearly the whole school had heard of a serious accident involving six Edison students. Activities continued, although thoughts were with the injured students.

"76"



At 1:30 the assembly began. There were many performances including skits, singing, uni-cycling, flag-girls, cheerleaders, Pom-Toms, and the band. The assembly ended with the presentation of flowers to the new queen, Sandy Blosberg by Jean Jarosak, 1975 Homecoming Queen.

Immediately following the assembly everyone headed out into the cold and misty weather to watch the parade. There were a number of floats including those by the seniors, the juniors, the sophomores, the Spanish club and the Polish pacers. Also in the parade were decorated cars, cheerleaders, Pom-Toms and our own band in the lead. After the pre-game show, by the band, the football team proved to the Southwest Indians our theme "We don't take no sitting bull" as we topped the Indians 28-6.

After the game we were reminded that this was to be the last Homecoming game on this field as ground-breaking ceremonies were held for our new gymnasium.

At 8:00 came the final remnants of our homecoming week. The group, Footloose, provided music for dancing which was followed by dinner at a local restaurant for most.

HALLOWEEN DANCE

The Halloween dance was sponsored by the Pep Club and has been one of the most exciting events within the realm of social activities at Edison High School. The dance was held on Friday, October 19, 1977. The students worked very hard and long creating costumes for this event because small prizes were at stake for the best costumes. This year's winners for the best costumes were: Brad Anderson (10), as the abominable snowman; Barb Bredston (10), and Carlene Lipa (10) as pumpkins; and Sandy Jacobson (10), as a Bumble Bee. Music was provided by the Band "Suicide Commandos."

SADIE HAWKINS DANCE

The Sadie Hawkins dance has become very popular at old E.H.S. because it is one chance a girl has to ask her favorite fellow to a social activity. Doors opened at 8:00 o'clock and the chase was on. Males got a five second head start and some were still running at 9:00 o'clock at which time the Li'l Abners had to stop or be subject to arrest by police officers Jeanette Johnson, Eddie Anderson, and Jim Bulleigh.

By this time the Marryin' Sams; Mr. Greenburg and Mrs. Johnson, were busy "hitching" couples. This year each couple got two licenses, two rings and a marriage ceremony for 50 cents.

Later, students had their photos taken, ate cheese and sausage, danced and admired each other's costumes. Music was provided by Kite. Winner of the best costume was Donna Smahel. The puppy was won by Simon Morrison and the turkey was won by Bill Lundeen. Daisy Mae and Li'l Abner awards went to seniors; Karen Larsen and Ray Mochinski, juniors; Colleen Huble and Al Mundy, sophomores; Janine Lourey and Bob Leitschuh. November 19 was a night to remember.

SNO-DAZE

January 28 was a "Winter Wonderland" at Edison. That was the theme for the 1977 SNO-DAZE assembly. Acts ranged from the Stage Band, to a bunch of singing turkeys, to the pink panther.

Master of ceremonies, Brian Brethorst, introduced our finalists for SNO-DAZE king. The finalists were: Mike Bishop, Tom Bray, John Jachymowski, Kirby Johnson, Perry Rawlings, and Rich Rorem. Tom Bray was crowned king. Because of the fuel shortage, the SNO-DAZE dance was postponed to March 18.

HEN PROGRAM

The purpose of Hen is the programmatic desegregation of Henry, Edison, and North. Students are bussed from their home school to another for specific course offerings or programs. Usually a two or three hour block of time will be spent in a school location other than the home school. It provides an opportunity to attend classes with students from different racial and economic backgrounds, gives a wider range of course offerings for students, and also permits greater flexibility in programming for students and for the schools.

SENIOR BANQUET

"Hours to Remember" was the theme of the Senior Banquet held at Arthur's on March 7. The banquet was planned by Jim Pettit, ArMand Nelson, Kelly Thompson, Nannette Unruh, Connie Kelley, Gloria Hedler, and Nancy Brecht.

Dinner was served at 7:00. The menu included salad, milk, baked potatoe, and a choice of chicken, prime rib, or shrimp. The chicken and shrimp were excellent, but the prime rib was a little on the rare side.

A short program followed, and the Hall of Fame was announced. The emcees were Brad Earley and Kirby Johnson. A short speech was also given by principal Melvin Grimstad.

At 9:00 the lights were turned down and the dance started. Music was provided by Twin City Disco.

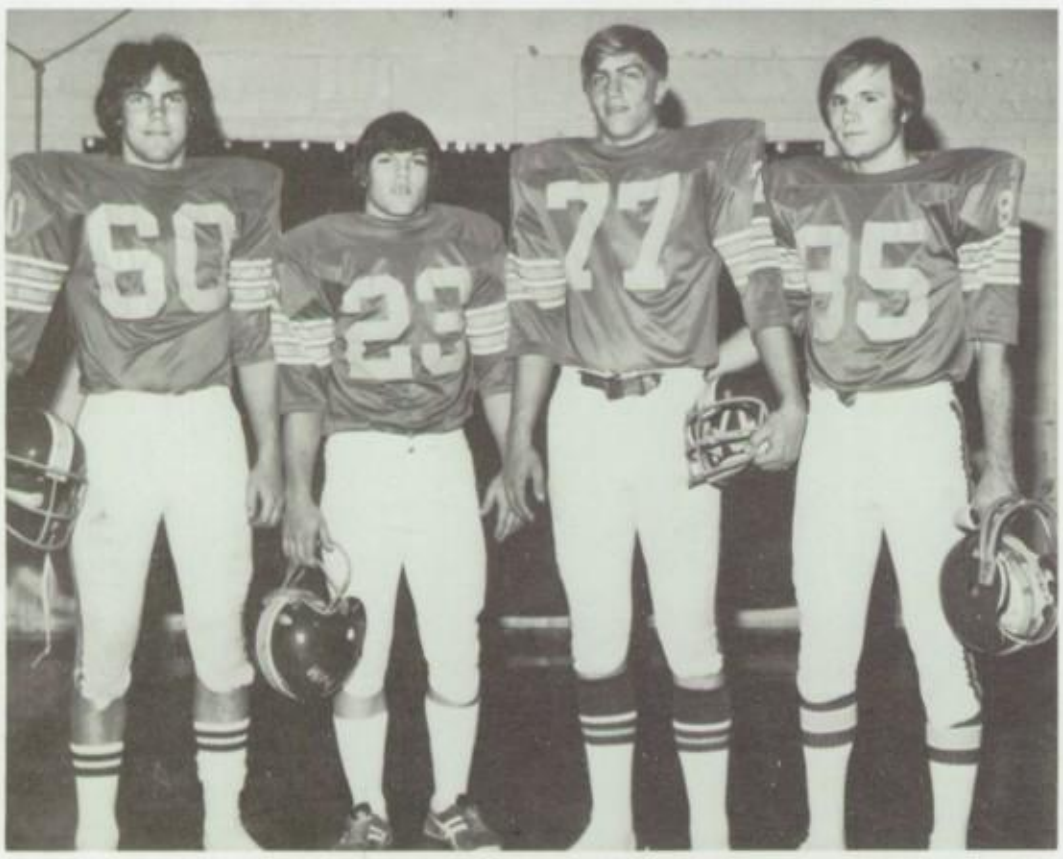
Femrite - co-captain, M. Neeb, J. Sroga, S. Solem, P. Pugsley, J. Ness, J. Jachymowski - co-captain, and J. Anderson - coach.



The football players with special honors were Mike Bishop, All-City; Dan Roff, All-City and All-Metro; Tim Femrite, co-captain, All-City, All-Metro, and All-State; and Dale Niziol, All-City.

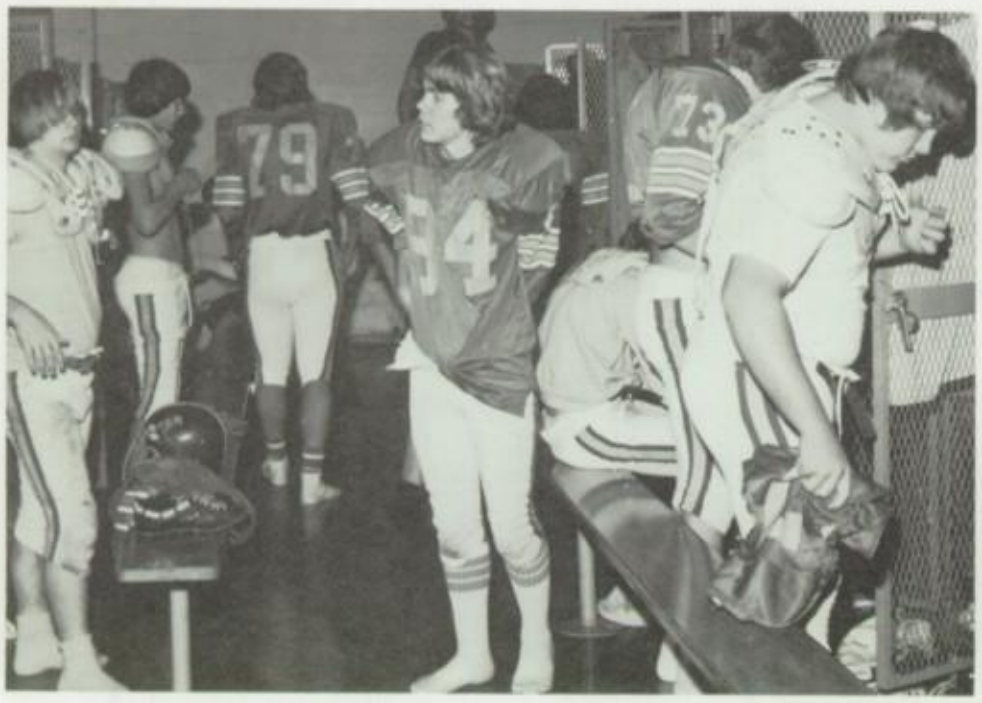
Co-captain John Jachymowski broke his leg in the first scrimmage of the year. Although he could not play in any of the games, his love of the game and dedication to the team made him a valuable asset. He coached on the side lines and added plenty of spirit to the team.

This year's football team enjoyed an excellent season. Undaunted by the loss of Co-captain John Jachymowski for the season (he broke his leg in the first scrimmage), the team went on to compile a 9-1 record. Also, this marked the fourth consecutive year that Edison has won the conference football championship; this year the championship was won outright by Edison for the first time since 1948.

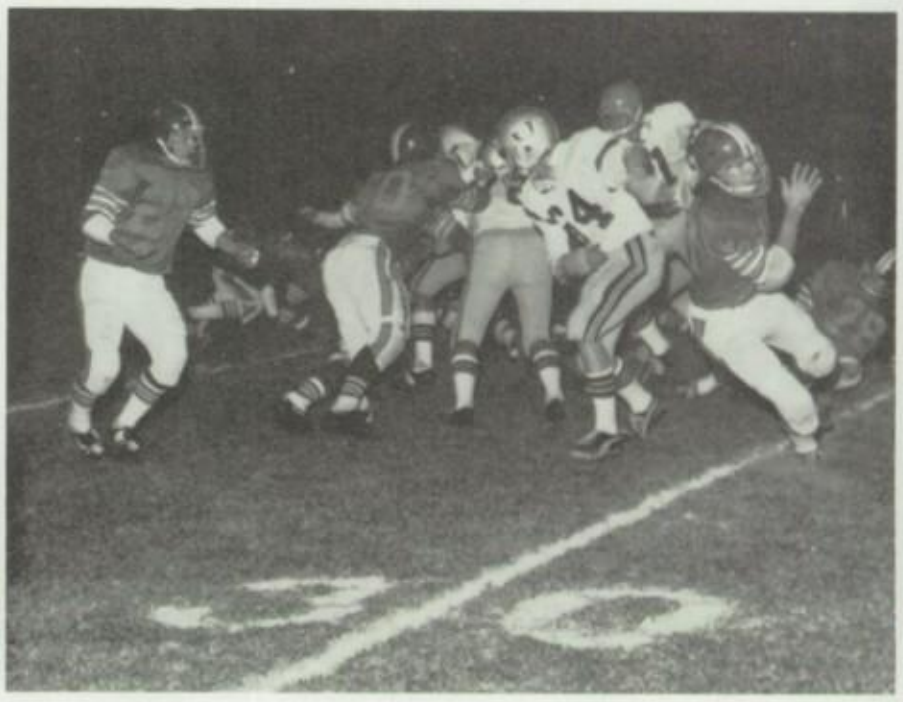
It was a team of character which refused to quit. This character was molded by the fine leadership of the seniors on the team, especially Co-captain Tim Femrite who won All-State honors. Other honors won by the team include the following: Dan Roff, Tim Femrite, Dale Niziol, Mike Bishop, All Conference; Nick Howard, Tim Femrite, Bob Hyska, Dan Roff, W.C.C.O Team of the Week; and Dan Roff, Tim Femrite, All-Metro.

Other seniors who contributed greatly to the team's success and will be missed next season include Jeff Sroga, Rich Rorem, Mike Neeb, Dave Brown, Tony Savage, Steve Solem, Tom Bray, Steve Pollack, Jim Engstrom, Tom Lasser, Gary Voit, Darrell Sharpe, Mike Wilkerson, Dave Wiersgalla, Jim Naslund, Rick Pommerenke, and Mitch Pearson. These players gave much of themselves for their team, their school, and their community. They deserve the success that they've earned.

Sophomore football players are (front row) Bob Reynolds, Tom Kaczrowski, Gino Villella, John Lasser, Jon Chelstrom, Chris Erickson, Tony Neis, and Mike Stellmacher; (second row) Jeff Moritko, Randy Bircher, Al Langiewicz, Chris Karrick, Mike McMurchie, Craig Weckwerth, Dave Seawell, Scott Henry, Ben Super, and Tim Ricci; (back row) Paul Becker - coach, Glen Brozak, Brad Anderson, Darrell Bosell, Pat Faber, Gary Randall, Paul Wu, Mike Bryan, and Jim Kottom - Coach.



The gang's all here.



This year the sophomore football team was undefeated. They had the best defensive line in the city, and the varsity team will benefit greatly from them next year. The most outstanding players on the team were Pat Faber, Gary Randall, Craig Weckwerth, Jim Wentland and Mike McMurchie.

Mr. Johnson - coach said that he enjoyed working with the boys team, and that next year they would have a strong team with eight returning lettermen.

The girls cross country team finished off a great season by beating eight of eighteen teams at the region meet. The captains of the team were Annette Ginnaty and Rita Paquette.

BOYS BASKETBALL

The Tommies were very competitive and played tough, aggressive ball; but unfortunately it just wasn't enough. Next year's team should be stronger due to the fact that many underclassmen now have varsity experience and the building of the new gym will make it easier for students to go and cheer at their games.

Edison High School produced one of the most competitive and skillful girl's ski team in its three year history. However, the winter of 76-77 was the most severe in many years. Cold or no snow was more of a factor than our level of training. Even with all these oversites, the girl's ski team was the most successful to date. We have lost some good athletes through graduation; still next year looks hopeful with a good core of experienced people returning. - Mr. Kubacki

Our hockey team was very young this year. We played nine sophomores and one ninth grader on a regular basis. The team worked very hard all year and had a very positive attitude. We finished seventh in our conference and finished strong in the Region tournament beating Golden Valley (6-4) and then losing to Roosevelt (4-2) in a closely contested game. Based on our finish and the returning players, we are very optimistic about next season.

We were led in scoring by Bob Rush (a junior and all-city) with sixteen goals. Eight assists for twenty-four points and Gary Deleki (a junior) with twenty-two points. Also contributing were our three senior captains, Jim Engstrom, Jim Mayer, and Greg Hansen along with senior goalie Paul Lillie.

TRACK *

* Spring '76

Who runs five miles before breakfast and ends up at the same place they started? Who runs through slush and traffic long before the snow melts? It's the track team. An unusual group which is only seen while hurdling, jumping or gasping violently. In summing up the season, coach Brian Johnson stated, "We didn't always win, but we scrapped hard enough to let the team we competed against know that they had met a fine track team."

Members of the girls' track team are (front row) Colleen Sams, Pam Blackowiak, Joyce Tovsen, Liz Martin, Lori Kuchinski, Debbie Hara - Captain, Judy Kuch, Pam Schwartz, Janet Ekstrom, Debbie Gilmore - Captain, Denise Roff - Manager; (second row) Elaine E. The 1975-76 track season proved to be the most successful season that the Edison team has experienced. The girls finished fifth in the city. Many individuals had outstanding seasons. Kathy Brethorst (8-N.E.) broke the city record in the quarter mile and sixth place in the 220 dash.

Edison closed out the high jumping contest in the city with Lori Kuchinski (10) taking first, with a record breaking jump, Pam Schwartz (10) in second and Debbie Gilmore (12) fourth. Pam also placed fifth in the long jump, fifth in the shot and anchored the sixth place 440 relay team. Debbie doubled her events and took sixth in the 180 yd. hurdles. Jere Rutz (11) threw a fourth place discus. Collette Huble (10) took sixth place in the half mile run.

Two of our relay teams placed sixth in the city; the 440 relay team and the 880 relay team.

Debbie Hara (12) and Debbie Gilmore (12) proved their leadership abilities as co-captains of the squad. Many hours of hard work paid off for these girls and all the other members of the squad who pushed these girls to excel.

This year's topic was, "Resolved: That a comprehensive system of Penal Reform be adopted throughout the United States".

Two people make up each team. The affirmative builds a case with a plan and the negative finds flaws with it. Students soon see both sides of a controversy which is a very valuable experience.

Many exchange students staying at other high schools were invited. At the Christmas Party everyone stuffed themselves with Christmas foods. After, they went caroling and then came back to the Gavino's to receive presents from Santa Claus (Judy Persell).

STAGE BAND

This year's stage band played at a variety of events including a Northstar game, a variety show of a veterans hospital in St. Cloud, the Athena Awards banquet.

The stage band concert was a hit, featuring a variety of soloists and music from ballad rock numbers to progressive jazz.

Director Bob Stacke's knowledge of jazz helped the band a great deal with their style and showmanship.

Members of the stage band are (alphabetical) Bill Barnes, Rick Bickford, Anne Bordwell, Todd Bosell, Julie Cronquist, Grif Day, Pat Dickson, Larry Dunn, Jim Engebretson, Brian Erickson, Rick Glubke, Helen Johnson, Kirby B. Johnson, Bill Lundeen, Marcy Mott, Marty Person, Randy Peterson, Ken Reed, Dianne Schwochert, Bob Stacke - Director; (not pictured) Jamey Hood and Mark Nebel.

CHORAL GROUPS

Edison's Choral Club began the year by singing at shopping centers and senior citizens functions. In December they performed their annual Sunday service at the Fort Snelling Chapel and then the school holiday concert with the band.

The rest of the year they spent putting on a musical "The Man From Venus" and their spring concert. Some of the choir members represented Edison in the Twin City Choir Concert in February.

The Voice and Guitar class put on a program at Sheridan Jr. High in March for "Music In Our School Day" and both classes had entries in the District and Regional Contests.

VOICE CLASS members are (seated) Judy Kuch, Melody Borchers, Rosemary Bender, Sue Graack; (standing) Keven Hampton, Jim Hanson, Lorrie Ridley, Libby Chase, Lorraine Graack, Liz Martin, Hope Holm, Janine Lourey, Marcy Mott, and Jay Sandahl.

GUITAR CLASS members are (seated) Dawn Jahnke, Patti Schenk, Hope Holm, Sue Estum; (standing) Mike Stellmacher, Pat Cornelies, Tony Neis, and John Lucas.

"What does the Edison Band actually do?" might be your question. The answer is anything and everything. From marching in front of charging elephants (Ringling Bros. Barnum and Bailey Circus), to skate-a-thons, to North Star games, to performing for trees (SOS).

During the marching season, the kids have a great time. It's usually a long and somewhat rowdy bus ride to their destination. On arrival, the band diligently works to ready themselves for the parade. The heavy uniforms are grudgingly put on at the last possible minute before marching and everybody helps everybody else.

When it comes time to march, everyone seems to put 150% into it. And that's what makes for an award-winning band.

But when you strip away all the glamour and cloth of the uniforms and flags, it's the music that counts. And that's what the concert band is all about.

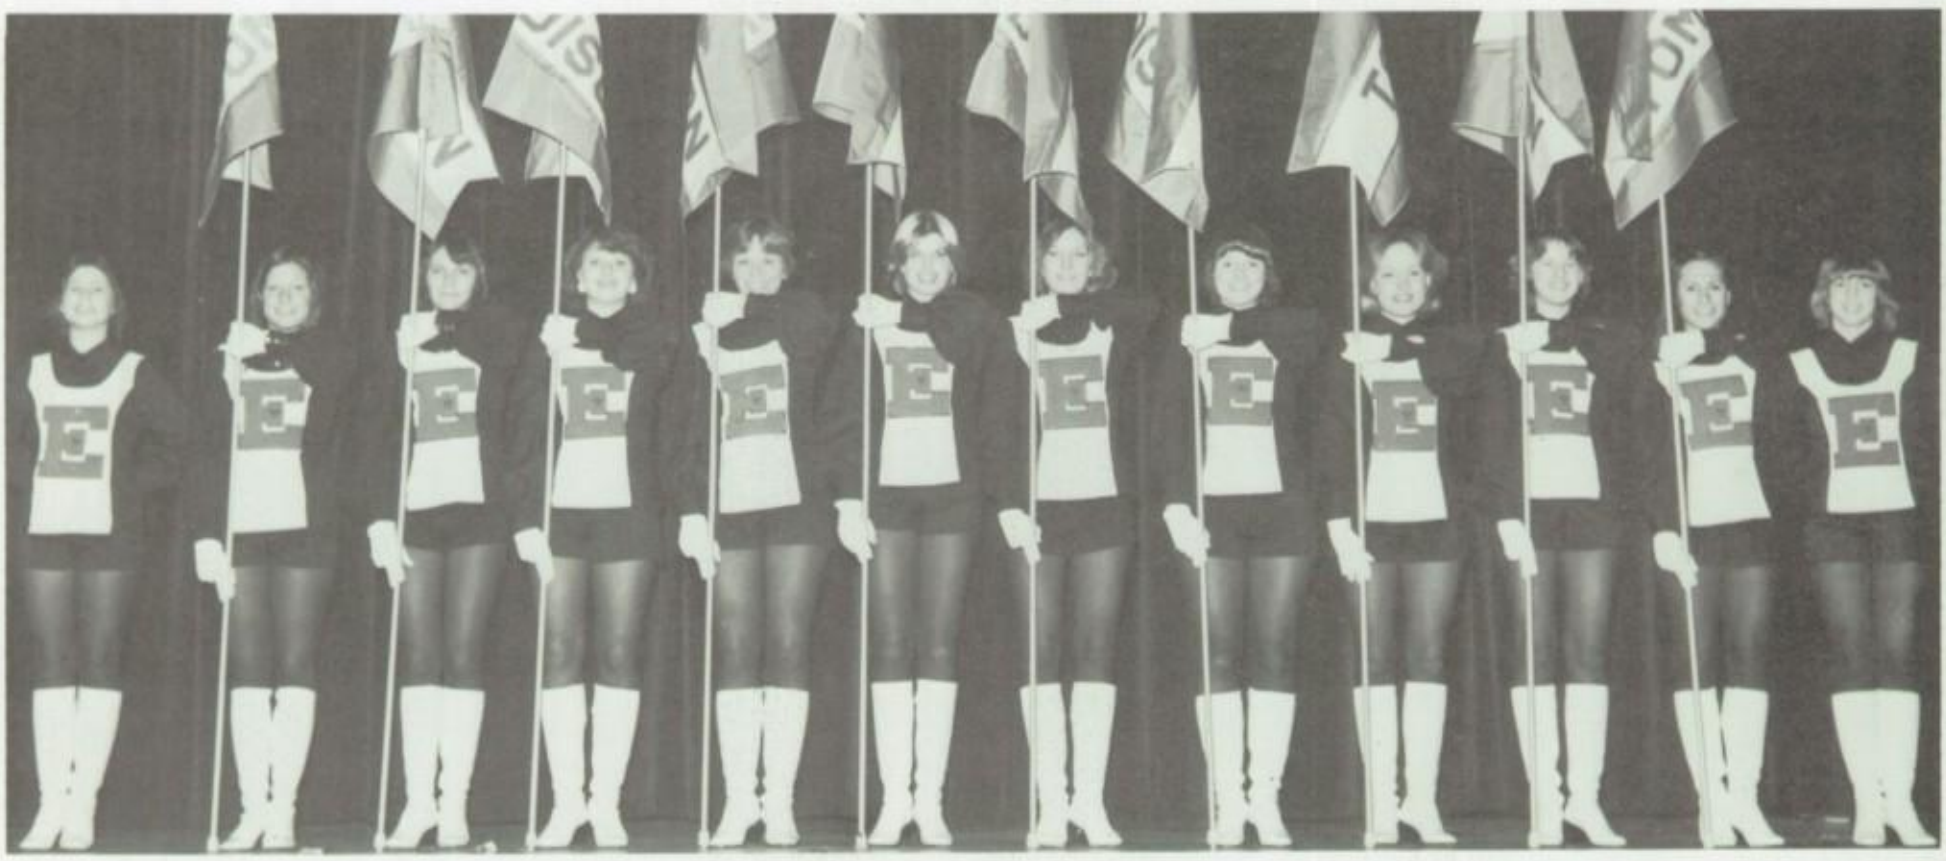
THE AUXILIARY UNITS

One thing that will either hinder or help a marching band is the quality of the auxiliary units. The Edison band is fortunate to have three good groups.

The Flag Girls in the Homecoming Parade



The Flag Girls are Pam Trombley, Donna Manoleff, Cindy Dupay - Captain, Linda Bialka, Kristi O'Rourke, Tori Gadbois, Terrie Hruska - Assistant Captain, Nancy Brecht, Kathy Barno, Denise Engebretson, Annette Ferraro, and Collette Huble.

FLAG GIRLS

One of the many units of the marching band is the Flag Girl Squad. Being an Edison Flag Girl requires discipline, endurance, and devotion. It requires the discipline to fulfill demands; the endurance to perform under pressure and conditions; and most of all the devotion in representing Edison and her great band all over the state.

Despite sore feet and either freezing or roasting temperatures - march high, head up, march spirited, eyes forward, listen closely for those commands, and with everlasting smiles - be proud.

As Edison Flag Girls we've learned a lot about working together as a squad, but most of all, and most important, we've learned as much about ourselves . . .

MAJORETTES AND VARSITY FLAG GIRLS

Majorettes are Vickie Smith and Peggy McGovern

During the summer and the football season the majorettes worked on routines to many songs. The girls add color to band performances.

The Varsity Flag Girls, another unit, have two different flag sets. For summer parades, they use large Blue/Gold "E" flags. For the football season, the girls march with the flags of each of the schools in the city. These are called Varsity Flags, thus giving this group their name.

The Varsity Flags Girls are Janice Gondorchin, Sabrina Rademacher (Assistant Captain), Cathy Payne (Captain), Marie Ogren, Jean Sherman, Sandy Swanson, Carolyn Rysted, Lisa Rossi, Jaci Ward, Laura Wagner, Colleen Huble, and Jody Petrangelo.

POM-TOMS

The Pom-Toms opened the season with 10 new members and worked hard during the summer to prepare for a busy year. The Eastside parade and coronation provided opportunities for pre-season performances so that the squad was well rehearsed for the football preview. A busy season followed with a full schedule of athletic and stage performances.

Dance competitions have become a fact of life for dancelines and the Pom-Toms continued to accumulate high ratings, placing 5th out of 27 at Park Center and 4th out of 37 at the St. Paul Winter Carnival competition.

ACADEMICS

"PRINCIPAL" MELVIN M. GRIMSTAD

"Edison High School is a people place - a place where people are concerned about one another. There is a good relationship between staff and students in our school and this is reflected in the fact that there is wide variety of student activities taking place and also that our school is a place where it is not only possible to get a good education but it is also desirable," says Mr. Grimstad.

Mr. Grimstad, an active principal, is often seen attending sport activities, supervising the lunch periods, and developing programs for the enrichment of students. Through his efforts a new gym is being constructed, the HEN program is progressing and curriculum is being improved. This is Mr. Grimstad's second year here at Edison. His positive attitude towards Edison and the student body is a great asset to the educational setting.

VICE PRINCIPALS

"I have spent twenty-four years as a teacher and administrator. During those years I continue to enjoy working with students, staff and the Northeast community."

- Al Johnson

"An administrator's job is to facilitate the various components of education so that the students derive the best possible education according to his/her needs. I enjoy my role as administrator especially at Edison because you feel you are a part of a team effort - basically most students come to Edison with serious intent of achieving an education, most parents support and give priority to education, and the staff at Edison is very dedicated to providing a good education for students and providing the extra counseling to students so they can take advantage of their opportunities. My own personal philosophy is that our public education is essential to maintaining our democratic ideals and it has to be our most important resource - an educated people."

FACES AND PLACES

CLASS OF 79

The members of the Sophomore Cabinet are Sylvia Hedler, Patty Felegy, Connie Dowdle, Tammy Kramer, Colleen Carlson, Ron Mochinski, Dee Lemieux.

This year the sophomore class got organized early and made a homecoming float. Their slogan was "Lasso the Indians." The class used a fashion model dressed as a Southwest football player, and constructed a four-foot tomcat named Eddie. Eddie was made of chicken wire and tissue paper. The Southwest Indian had a lasso around his neck and was being pulled by the tomcat.

Because of the abolishment of homerooms the sophomore class had a hard time organizing activities and choosing class officers.

The sophomore class advisors are Mrs. Boutsioukos and Mr. O'Keefe.

WIZARD STAFF

Compiling materials for a yearbook is hard work. On occasion, I'm sure that the staff wondered if it was really worth all the grief. Keeping track of the names of sixteen hundred students involved in the multitude of activities at Edison High School is mind-boggling. Upgrading the format created additional problems as the intensive reporting created a need for better journalistic skills, plus the anxiety of change itself took its toll. Looking back, I feel that it's been an exceptional year. As a staff we have formed warm friendships and have enjoyed our hours together. We are proud of this year's edition and hope you will be too. I want to thank everyone for their cooperation and patience.

Mel Pibal
Advisor

Dan Renner - Assistant Editor, Mel Pibal - Advisor, and Gloria Hedler - Editor-in-Chief.

The members of the Student Section are Beth LaGrange, Debbie Stegora, and Randy Kudzia.

The student section worked very hard this year on putting out a new style of yearbook. I really had a great time and I think our yearbook is one of the best Edison has ever put out.

Debbie Stegora
Student Editor

Working with my assistant, Kathy Burns, we managed to complete a new design of faculty section before the final deadline. The result is the best academic section of any yearbook. We hope this section will be as meaningful to you as it had been for us putting it together. I want to thank all those who helped us in many different ways to complete this section.

Paul Jablonsky
Academic Editor

The members of the Academic Section are Kathy Burns and Paul Jablonsky.

The members of the Athletics Section are Ted Karkula, Sandy Swanson, and Jeff Rosemeyer.

The members of the Student Life Section are John Kitt, Colleen Huble, and Tim Kraskey.

The Wizard Staff was very closely knit. We had our ups and downs, but the ups were great. I was proud to be on the staff. I wish the next year's staff the best of luck because they need all they can get.

John Kitt
Student Life Editor

The members of the Extra-Curricular section are Jerry Korblick, Sabrina Rademacher, and Debbie Jurichko.

At the beginning of the year, when we decided to make-over the yearbook design, I didn't know if we could do it. In the Extra-Curricular section, the goal was to make it more interesting and more informative. I feel that we have succeeded in doing so. This year we've come a long way, but we still have a way to go.

Sabrina Rademacher
Extra-Curricular Editor

I really had fun being on the Yearbook Staff the past two years. I hope next year's staff has as much fun as we did.

Sports' Editor

I had a really great time. We worked hard but had fun.

"ADDENDUM"

With the completion of the WIZARD for 1977, another school year comes to a close. In the pages of this book are recorded the successes and triumphs of the past school year in picture and script. It is our hope that this book will bring back many cherished memories in the years to come.

The final result of the WIZARD is due in large measure to the watchfulness and zeal of WIZARD staff. The activity which prevailed in the editorial room during the past few months has now resulted in a job well done! This book has been a task which required a lot of time and energy. I trust, however, that the staff feels that the activity was well worth while and that valuable experiences were gained.

Working on the yearbook was quite a challenge. It was also an honor and privilege to be selected as Editor-in-Chief. I'd like to recognize the members of the staff who gave so much of their time to ease a hard job. Special credit is due to Mr. Mel Pibal, yearbook advisor, for his guidance and patience. He has helped inmeasurably, and his encouragement and assistance brought this publication into being.

I take this opportunity to say:
THANK YOU, EVERYBODY, AND BEST WISHES FOR A SUCCESSFUL FUTURE.

Gloria Hedler
Editor-in-Chief

REFLECTIONS

WHEN I FIRST WALKED THROUGH THE DOORS
EVERYTHING FELL INTO PLACE
NOW I MUST LEAVE
TIME TO STEP TO A NEW PACE.

REMEMBERING ALL THE FRIENDS
THE LAUGHTER AND THE CHEERS
CASTING OUT THE SADNESS
ERASING ALL THE TEARS.

FOR THIS IS A BOOK FILLED WITH MEMORIES
TOGETHER WE HAVE ALL MADE
EACH A SEPARATE CHAPTER IN OUR MINDS
NEVER WILL THEY FADE.

SO AS I GO ON
IN WHATEVER DIRECTION
I'LL LOOK BACK TO YOU EDISON
TO VISION YOUR CLEAR REFLECTION.
